New Vendor Account Information

To Whom it May Concern:

EasySpheres would like to assist you in establishing a vendor profile for our company by providing you with the following information. This information is being provided to you as requested by someone in your organization and should be considered confidential. Many customers request this information as standard when purchasing a product from a new vendor. It is our hope that this will reduce any questions that might arise in the future regarding your account with EasySpheres.
